Attorney General Jeff Sessions
U.S. Department of Justice
950 Pennsylvania Avenue, NW
Washington, DC 20530-0001

Dear Mr. Sessions,

I am a concerned citizen and an American patriot. We the people demand that the criminals involved in drug and human trafficking, pedophilia, blackmail, murder and mayhem be brought to justice. We have been watching from the shadows for far too long.

It's time to release the 650,000 emails!

As we stand with President Donald Trump, we stand united with you in this matter.

Sincerely,
